Dear Evelyn,

Through a strange set of circumstances I learned of Ron's death several months ago and it has taken me this long to comprehend the whole idea and I can only imagine how much pain you and your family have endured.

The past few months have brought back to my memory many special things about Ron (from our years in Glencoe) to name a few.....

- the pennies in the attic
- that wonderful jogging style of his
- that great smile!
- how on the night of your going away party at the Robinsons he calmed down my sister who'd been babysitting Deidre (now 28 yrs old) and she'd fallen off the changing table and hit her head.... my sister brought her over and Ron gave Deidre a going over & then spent time

consoling my sister and assuring her that accidents happen & not to feel guilty

• the time when Phil & I were with our children (travelling from LA to SF) at Anderson's Pea Soup and there you both were and Ron stopped by & said to Phil ... "Boy, did you've really changed." —

So that was the last time I saw you but I had heard that things were going well with you in Santa Barbara.

I've been a visitor to Ron's website and I still have trouble grasping the loss to this world of such a special person.

Phil & I have been married now a total of 19 1/2 yrs (I still can't believe it) WE MOVED south 10 years ago — warmer weather — lower cost of living and have enjoyed it.

Just wanted to share my thoughts and tell you that I was just another of many whose lives were touched by Ron's wonderful humor / love & sincerity.

Best wishes & thoughts  
Eva
